Price:

Dimensions:

Door height: 186 cm

Door width: 82.5 cm

Width of the door with hinges: 92.5 cm

Door thickness: 8 cm

Weight of the set: 250 kg

DESCRIPTION

Original military bunker entrance door.
Welded steel construction, the doors are mounted on two hinges,
the original frame in the set. Ready for installation. Time period: 1950s.

DESCRIPTION OF THE RENOVATION

The door and frame were subjected to a sandblasting process
and then covered with an undercoat anti-corrosion paint.
