

Information Signboard "Fire-Alarm"

Price:

Dimensions:

Height: 10 cm

Width: 29.8 cm

DESCRIPTION

An original 1930s German signboard informing about the assembly point in the event of a fire alarm.

CONSTRUCTION

Pressed convex steel sheet covered with two-colored enamel. The state of preservation is shown in the photographs. The signboard has been thoroughly and carefully cleaned while preserving the patina of time. The whole is secured with a special wax.
